

## BONNEVILLE SCHOOL DISTRICT 93

FREE EMERGENCY FEEDING

**BEGINNING MARCH 30, 2020**

The USDA has granted flexibility for our Child Nutrition Program to offer meals to school aged children in a time of unanticipated closure.

- We are pleased to offer two meals (breakfast and lunch will be distributed at once) to all children each day. **(Only 1 meal package per child per day.)**
- **Parents / children may not go to multiple sites in one day.**
- In order to abide by the required social distancing, meals will be offered via drive thru option.
- School buses will deliver food to the designated neighborhood bus stops.
- Any child ages 1-18 can go to any of the locations to receive meals.
- Parents may purchase a meal for \$6.25 (must bring exact change).
- Follow us on Facebook @d93childnutrition and @bjsd93 

**\*\* NEW FLEXIBILITY FOR PARENTS \*\***
