Face Covering Medical Exemption Form

This form must be completed by a medical practitioner licensed in the State of Idaho to prescribe medication. This form is a confidential health record and will be kept separately from the student’s academic record. It will be destroyed at the end of the school year and a new form will need to be submitted in subsequent school years.

East Idaho Public Health has issued a public health plan that requires the use of face coverings when physical distancing cannot be maintained. Additionally, the Centers for Disease Control, the Idaho Department of Health and Welfare, and the American Pediatric Association have all recommended face coverings as a key strategy to prevent an outbreak of COVID in schools. Please provide information about the following student that would necessitate a waiver of this requirement for their own personal health and safety.
